

※Second cup - 150yen off

## Original blend

※To achieve a clean and pure taste, it is brewed using a paper filter

**No.1 Mild** City Roast **600yen each**

A blend with a good balance of richness, bitterness, and acidity

**No.2 Bitter** French Roast

Bitterness and richness of dark roasted blend

**No.3 Fresh** High Roast

A refreshing taste with a fruity acidity

**Quick cooled coffee**

Drip for each order. A refreshing clear taste crafted by quick cooling down from strongly extracted coffee.

## Today's coffee

**600yen~**

Please enjoy our specially selected beans that are not usually available on the menu. For more information, please ask our staff.

## Single origin (straight) HOT / ICED

※To bring out the maximum flavor and individuality, it is brewed with a metal filter. ("Cores" gold filter)  
(When ordered HOT)

※Please refer to the COFFEE BOOK for details on each type of coffee bean

**600yen each**

**Guatemala** City Roast A balance of vibrant floral acidity and richness

**Brazil** City Roast Richness and sweetness with a hint of roasted nuts

**Columbia** Full City Roast Mild and smooth, with a suggestion of chocolate flavor

**Ethiopia** High Roast Refined citrus acidity and a hint of black tea

**Mandelin Linton** French Roast Full-bodied, complex flavors of herbs and bitterness

**Kenya** Full City Roast Unique sweet flavor, concentrated with sweetness and acidity of berries
